Jehonatan Javier Arriaga Godoy

AI Consultant · Sales

Sales professional with B2B and B2C experience. I built my own wholesale business from zero: found the buyers, negotiated price and credit terms, closed and followed up. Before that, almost two years selling to US customers at Alorica with daily targets. Business Administration graduate.

EXPERIENCE

B2B Trader & AI Project Manager · Self-employed
Dec 2025 – Present

- Built a seafood wholesale business from zero selling to restaurants in Guatemala: lead lists, outbound calls, WhatsApp, Facebook and in-person visits.
- Full sales cycle: qualify by weekly volume and payment terms, quote, negotiate, close and collect.
- Closed a 280 lb shrimp order on 15-day credit with a recurring client.
- Run Meta campaigns that send leads to WhatsApp; track pipeline and collections with my own AI agent (Claude).

Sales Agent · Alorica
Jan 2024 – Nov 2025

- Sold phone lines, home internet and accessories to US consumers and businesses, remote-ready call center environment.
- Met or beat a typical target of 20 lines; every call logged in the CRM.

Sales · Sur Color
2019 – 2020

Production Assistant · Nestlé Guatemala
2020 – 2023

- Quality control and process improvement.
