Jehonatan Javier Arriaga Godoy

AI Consultant · Sales Development

Two years on the phones at Alorica selling lines, internet and accessories in Spanish and English, then building my own B2B client base from zero: researching businesses, cold outreach, follow-up and close. I use AI agents to organize prospects and follow-ups. Business Administration graduate.

EXPERIENCE

Founder · Seafood Wholesale & AI Projects · Independent
Dec 2025 – Present

- Research and list target businesses (restaurants, seafood stands, wholesale markets) and reach out by phone, WhatsApp and Facebook.
- Qualify by volume and payment terms before quoting; close, deliver and collect.
- Sell and follow up mainly through WhatsApp; closed a 280 lb order on 15-day payment terms with an existing client.
- Built my own AI agent (Claude) that tracks prospects, follow-ups and payment dates.

Sales Agent · Alorica
Jan 2024 – Nov 2025

- Sold phone lines, accessories and residential internet to US individuals and businesses, in Spanish and English.
- High-volume inbound calls from US customers with daily targets and quality scores: discovery, offer, objection handling and close.

Production Assistant · Nestlé Guatemala
Feb 2020 – Dec 2023

- Quality control and process improvement.
